

### PALITOCES JUNINOS

Utilize um rolinho de papel higiênico e corte ao meio. Após faça cortes até o centro do material e dobre-os para cima, simbolizando a aba do chapéu. Imprima as imagens de rostos disponíveis no arquivo (menino e menina) ou se preferir faça o desenho do rosto e cole-o dentro do chapéu. Em seguida, fixe em um palito de churrasco sem ponta ou palito de picolé. Pronto! Você tem um novo Palitoche Junino para lhe acompanhar em todas as brincadeiras. O palitoche pode também ser entregue para a criança com o convite da festa junina.
